

BERNARD ECHOLS SCHOLARSHIP FUND

PROVIDING PHC YOUTH AND LEADERS WITH A BRIGHTER TOMORROW

ESTABLISHED 1970

The Bernard Echols Scholarship Fund was established in 1970 in memory of Bernard Elgin Echols, whose life was tragically cut short in an automobile accident while on his way to school. In honoring his memory, the scholarship was created to help future generations pursue their educational goals and fulfill their God-given potential.

For more than five decades, the Bernard Echols Scholarship Fund has provided financial assistance to deserving students affiliated with the Pure Holiness Church of God. Our mission is to encourage academic achievement, support higher education, and invest in the future leaders of our churches and communities.

Since 1970, the Bernard Echols Scholarship Fund has assisted PHC students in pursuing college, vocational, and professional educational opportunities. In addition, the scholarship program has provided assistance to ministers and church leaders seeking to further their education and enhance their ability to serve both the church and their communities.

We believe that every individual should have the opportunity to pursue educational and personal growth without being limited by financial barriers. Through the generosity of donors, churches, and supporters, we continue to help students, ministers, and future leaders achieve their educational goals.

The Bernard Echols Scholarship Fund proudly serves eligible students who are active members of the Pure Holiness Church of God or immediate family members of active PHC members. Scholarship assistance may also be available to PHC ministers and leaders pursuing continuing education, ministry training, or academic advancement.

As a 501(c)(3) nonprofit organization, all donations are tax-deductible and directly support scholarship awards and educational opportunities for PHC students and leaders.
